

Alex Eggert

1321 Milton St • Madison, WI 53715
Phone: 920-619-0371 • E-Mail: AlexPEggert@gmail.com

Objective

To obtain a meaningful and challenging position that enables me to continue to advance in the media and video field.

Work Experience

Central Parking System - Cashier/Valet June 2006 - Present

- Use people skills to handle or solve any customer related problems or questions
- Learned the basics of handling cash, using a credit card terminal, and valet parking

MATC-Madison - Administrative Assistant May 2007 - August 2007

- Assisted the program director from the Construction, Manufacturing, Apprenticeship, and Transportation (CMAT) department
- Helped mail, call, and communicate with current and future CMAT students
- Edited and updated the CMAT website using Dreamweaver

Krueger International - Welder June 2006 - August 2006

- Used a robotic arm to weld chair frames
- Manufactured office chairs and tables

Eastbay - Order Entry Associate May 2004 - January 2005

- Placed orders for customers over the phone
- Used knowledge of company's inventory to assist customers when purchasing items
- Help answer questions about order status, product availability, etc.

Education

MATC-Madison 2009

Associate Degree of Applied Arts Visual Communications - Media Design. The program provides training in the areas of art and design for various types of presentation media. Multimedia design and production, webpage design and video production are the main areas of focus.

Green Bay Preble High School 2006

Graduated in 2006 with honors. Played football all four years and my senior year we went undefeated. Participated in the Preble Video Yearbook group and helped edit, capture, and produce a digital yearbook that included sports, expos, and other events.
